Kidney congress conference is focus on the most recent advancements in aversion and treatment of different kidney disorders. With members from around the world focused on learning about nephrology and its advances.

The 4th World Kidney Congress which was held during May28-29, 2019 with the theme of "*Recent advancements and future prospects in Nephrology*" received a spectacular response.

With the active participation and support of the Organizing Committee Members, Editorial Board Members and impressive presentations of all eminent scientists, talented researchers and young student community made this conference one of the most successful and productive events in ME Conferences.

The conference was initiated with a warm welcome note from our Honorable guests and followed by Keynote sessions. We would like to convey the great appreciation for Dr. Eleni Theodoropoulou, Tzaneio Prefecture General Hospital of Piraeus, Greece, and the Honorable moderator for the conference who contributed a major part to the success of this event.

The highlights of the meeting were the enlightening keynote lectures from:

- Dr. Eleni Chelioti | Tzaneio Prefecture General Hospital of Piraeus | Greece
- Dr. Modhi Albaz | University of PSMC | Saudi Arabia
- Dr. Dewi Gathmyr | Dr Esnawan Antariksa Air Force Hospital | Indonesia

Kidney Meet 2019 would also like to thank the following speakers for their splendid presentations on their research.

- Dr. Kai Shan Ng | Cairo University | Egypt
- Dr. Adele Shayanrad | Novatis Teb Company | Iran
- Dr. Sultan Al Dalbhi | Prince Sultan Military Medical City | Saudi Arabia
- Dr. Adele Shayanrad | Novatis Teb Company | Iran

We earnestly thank the Organizing Committee Members, Participants and Media Partners for their thoughtful presence and liberal support, without which the conference would not have reached the apex of success. Your response is our inspiration; recalling this maxim and seeing the triumph of kidney meet 2019, ME Conferences would like to announce the commencement of the "5th World Kidney Congress" scheduled June 22-23, 2020 in Abu Dhabi, UAE

We welcome all the eminent researchers, professors, students and delegate participants from worldwide to partake in this forthcoming gathering to witness invaluable scientific discussions and add to the future advancements in the field of nephrology.
