Conference Series LLC LTD is organizing “[International Conference on Urology and Andrology](#)” which is going to be held in the month of November, 2020 at Bangkok, Thailand. The Theme of the conference is “**Exploring the recent advancements and new therapeutic approaches in Urology and Andrology**”. The conference offers Prestigious Award for Young Research’s [Urologist 2020](#)-Gathering the New-born Advances in Nephrology

[UROLOGIST 2020](#) invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Urologist 2020. This [Urologist 2020](#) Young Scientist Awards will be announced at the upcoming International Conference on Urology and Andrology at Bangkok, Thailand on November 09-10, 2020.

This [UROLOGIST 2020](#) is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum-Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at [Urologist 2020](#) provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

[UROLOGIST 2020](#) Conference will be an investigation of new research Innovation in the field of Nephrology and spread the most recent advancements in International Conference on [Urology and Andrology](#). The urinary and reproductive tracts are firmly connected, and clutters of one frequently influence the other. In this way, a spectrum range of the conditions oversaw in urology exists under the area of genitourinary issue. Urology consolidates the administration of restorative and it is nonsurgical conditions, such as urinary tract contaminations and benevolent prostatic hyperplasia, with the administration of surgical conditions. Examples: Bladder or prostate tumor, kidney stones, genetic changes, kidney damage, and stress incontinence. Andrology is the medical specialty that deals with male health, particularly relating to the problems of the male reproductive system and urological problems that are unique to men. It is the counterpart to [gynaecology](#), which deals with medical issues which are specific to

female health, especially reproductive and urologic health. Andrology covers anomalies in the connective tissues pertaining to the genitalia, as well as changes in the volume of cells, such as in genital [hypertrophy or macrogenitosomia](#). From reproductive and urologic viewpoints, male-specific medical and surgical procedures include vasectomy, vasovasostomy (one of the vasectomy reversal procedures), orchidopexy and circumcision as well as intervention to deal with male genitourinary disorders Encounter the target market with members from across the globe, committed to learn about novel technologies and innovations in [Urologist](#) This is the best opportunity to outreach the largest gathering of participants from around the world. Conduct presentations, distribute and update knowledge about the nursing Education and patient safety, Nursing Management, and Advance urologist and in different fields of Nephrology by receiving name recognition at this 2-days event. World-eminent speakers, most recent researches, latest treatment techniques and the advanced updates in Urologist are the principal features of this conference.

Past Conference Report

The “15th World Nephrology Conference”, during May 20-21, 2019 Tokyo, Japan, at Melbourne, Australia with the theme, “Recent advancements of research and treatment in the field of [Nephrology](#)” which was a great success. Eminent keynote speakers from various reputed institutions and organizations addressed the gathering with their resplendent presence.

We extend our grateful thanks to all the momentous speakers, conference attendees who contributed towards the successful run of the conference.

World Nephrology 2019 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various latest and exciting innovations in all areas of Nephrology research.

Eligibility Criteria for Young Scientist Awards: UROLOGIST 2020

The Urologist 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research

experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first serve basis. Only 25 nominations will be accepted globally.

Judging Criteria

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the [Urologist 2020](#) conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the **Urologist 2020: Young Researcher Award** should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to urology@asia-meetings.com along with the online application at the [Urologist 2020 Award](#) page.

Presentation

This award will be presented at Bangkok, Thailand during [Urologist 2020](#) conference.

Hosting Organization: Conference Series

Conference Series LLC LTD is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontal like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.
